

Railway Preservation Society of Ireland

Membership Application

Thanks to the efforts of volunteer members of the Railway Preservation Society of Ireland, it is once more possible to enjoy the delights of travelling on a mainline steam train. The Society is dedicated to the preservation of railway steam locomotives and historic coaches.

However, Society members are not content to allow such items to be displayed in museums, but are actively engaged in their restoration for use on excursion trains. To date, the Society's collection comprises 9 steam locomotives, 2 diesels, over 30 coaches and a collection of goods vehicles. Most are stored at the Society's base at Whitehead, Co. Antrim, with the remainder in Dublin or Mullingar, Co. Westmeath.

The Society was formed in 1964 and is a registered charity. By joining you can help to promote its aims and work. Membership entitles you to:-

- regular news-sheets and advance information on Society activities
- free travel for working members on certain trains
- special offers on railway books and souvenirs
- regular meetings and film shows during the winter months
- ad hoc news bulletins via e-mail

If you are a United Kingdom taxpayer you can help the Society by joining the Gift Aid scheme. At no extra cost to yourself the Society can claim tax relief on the amount of your subscription, and any donation, from the Inland Revenue.

Please, if you can, include a donation with your payment.
